*"If any little word of mine
May make life the brighter;
If any little song of mine
May make the heart lighter —
God help me to speak the little word,
And take my bit of singing
And drop into some lonely vale
To set the echoes ringing.*

*"If any little love of mine
May make a life sweeter;
If any little care of mine
May mak a friend's the fleeter;
If any strength of mine may ease
The burden of another —
God give me love, and care, and strength
To help my toiling brother."*
